Welcome

We are not focused on being religious, rather we desire that all come to have a deeper relationship with our Savior. Whether you prefer traditional music or seeking a more contemporary worship experience, Harvest Point is the place for you!

Jesus was going throughout all Galilee, teaching in their synagogues and proclaiming the gospel of the kingdom, and healing every kind of disease and every kind of sickness among the people.

-Matthew 4:23

New to The Point?

If you're here for the first time, you are our Guest. Here's what to do:

- 1) Relax.** We're so glad you're here! Please get comfortable and make yourself at home.
- 2) Drop off the kids.** Harvest Kids offers a place where children from birth through fifth grade can discover and develop a passion for God. We want to give every child the chance to know Christ, to grow in Christ, & to follow Christ!
- 3) Fill out Connection Card.** Please fill out the information you are comfortable sharing and place it in the offering basket. Someone will be in touch to help meet your needs.

4) Enjoy yourself. Usually we start with a few worship songs, followed by an official welcome and a time for greeting each other. Our choir or praise team will sing a few more songs, followed by a Bible based message from Pastor Scott usually 30-35 minutes long. At the conclusion of the message we invite those who desire to join our local body followed by a time to worship in our giving. The entire service lasts about 65 minutes. Even when the service is over there is always time for fellowship
